

15 September 2020

Dear Parents and Carers,

I would like to take this opportunity to thank you for supporting the students and enabling them to return to school. We are so pleased to have them back in school and they have proven over the past week that they can cope incredibly well with the new routines and procedures.

As the students have settled back into school so well, it is now the time for us to focus on our expectations and standards. We would appreciate your support in ensuring that all students follow the school's uniform policy and wear their uniform with pride. In particular, ensuring that all students have natural hair colour, do not have acrylic nails and have no more than one set of stud earrings in each ear (one small stud is permissible in the nose). Students should be wearing their lanyards every day to distinguish their year group.

Parents and carers can also support their children by assisting them when packing their bags for the next day. As it is a new policy for students to bring their books to school every day (rather than leaving them at school), we have found that many students are needing extra support with this to avoid students carrying around unnecessary books and equipment.

Thank you again for your continued support,

Yours sincerely

Mr C Fountain - Head of Y10 & Raising Standards Leader & Mrs C Broad - Progress Leader Y10
